

**You are cordially invited to enter your company's projects  
in the  
2010 VRCA AWARDS OF EXCELLENCE**

The Vancouver Regional Construction Association is pleased to call for entries for this year's Awards of Excellence. This is an excellent opportunity to showcase your company's commitment to quality and professionalism.

Previous recipients of the awards have incorporated their success into their promotional strategy and in their dealings with prospective clients. Winning an award can provide a morale boost for your entire workforce. **The benefits of participating are considerable, and the results are tangible.**

Take the few minutes required to complete the enclosed application form for the projects you know deserve recognition by your peers. Also, enter an application for those individuals you know who have made a difference to the industry.

Enclosed in this package are **entry forms for the project awards for general contractors, trade contractors, and manufacturer and supplier** as well as the criteria for these awards. We encourage you to consider worthy candidates for Supplier of the Year, Trade Contractor of the Year, Safety Awards, Education Leadership Award and Outstanding Woman in Construction. This year we are pleased to announce a new category recognizing excellence in sustainable building, entry forms for these awards will be distributed soon.

**The deadline for submitting entries for the Project Awards is April 30, 2010 so be sure to move quickly in completing the form and getting the pictures to VRCA.**

The Awards Presentation evening, which promises to be one of the more prestigious evenings for the construction industry, will be held in **October**. We encourage you, your clients and colleagues to come out and celebrate excellence in construction.

We look forward to receiving your entries, and to seeing you in October! Please feel free to contact Christine at 604-294-3766 if you have any questions.

Good luck on your entries!

A handwritten signature in blue ink, appearing to read "Brian Martin".
